For the 15-month CD, a \$25,000 minimum opening and daily balance is required, with a maximum deposit of \$235,000. No additional deposits are permitted during the term. At maturity, the CD will automatically renew into a 12-month CD at the 12-month CD rate in effect on the date of maturity. Early withdrawals are subject to a penalty of 180 days' interest on the amount withdrawn, which may reduce principal if the penalty exceeds accrued interest. If the account is closed before interest is credited, accrued interest may not be paid. During the 10-calendar-day grace period, withdrawals will not earn interest beyond the maturity date. Public funds, brokered deposits, financial institutions, and IOLTAs are not eligible for this special. *Annual Percentage Yield.
